

# AAQ in Applied Science

## Course Overview

The Pearson Level 3 Alternative Academic Qualification BTEC National in Applied Science (Extended Certificate) is an Alternative Academic Qualification (AAQ) designed for post-16 students with an interest in science and aiming to progress to higher education as a route to graduate level employment. Equivalent to one A Level in size, it is suitable for students looking to develop their applied knowledge and skills in science alongside either 2 other AAQ's or A-levels.

## What You Will Study

The qualification has five units covering the following topics:

- Principles and Applications of Biology – Structure and function of cells and tissues, biological molecules, enzymes and their role in organisms
- Principles and Applications of Chemistry – Structure of the Periodic Table and its implications on physical and chemical properties of substances, through analysis of different bonding methods
- Principles and Applications of Physics – Waves and their applications; force principles and their application in transportation and construction of electrical circuits
- Practical Scientific Procedures and Techniques – Practical applications across the sciences, including chromatography, colorimetry and electrical circuits.
- Scientific Investigation Skills – Investigative research, including planning, data collection, analysis and evaluation.

## How You Will Be Assessed

- 50% external examination
- 50% internal assessment

## Entry Requirements

5 GCSEs at Grade 9-4 including English and Maths and Science at Grade 5.

START DATE	LEVEL
September 2026	Level 3
