Course Overview

This course is open to all students who are over 19, with particular emphasis on those with an interest in Art and Design and who wish to study within this area at degree course level.

This is a one-year course with excellent progression opportunities at both local and national universities and internally to the College's own degree programmes. Although the course offers no specific placement opportunities, we have links with alternate creative organisations allowing opportunity to participate in live exhibitions throughout the year.

An ideal candidate will possess a passion for Art and Design acquired through their personal interests or commercial activities in this field.
