

Access to Social Work

Course Overview

Our level 3 courses are designed to give learners the UCAS points needed to progress to university. The courses are fully online courses, where you can access the course materials and assessments 24 hours a day. The course takes 9-12 months to complete.

Upon success completion of this course this will allow students to progress to different university courses including:

Social Work

Health and Wellbeing

Public Health

What You Will Study

Throughout this course you study 17 units over different subject areas including Sociology, Psychology and Social Policy. Some of the units that you will studying include:

The Roles and Responsibilities of a Social Worker

Cognitive Psychology

Behaviour and the Brain

Social Inequalities

Attendance Expectations

There is no on-site attendance required, though students are expected to undertake 10-15 hours study per week with 1:1 tutorials available.

How You Will Be Assessed

You will be assessed through a variety of different methods, including written essays, presentations and timed control assessments.
