

GCSE Maths Classes

Course Overview

Join our friendly and supportive Part-Time GCSE Maths classes, designed to help you build essential mathematical skills and achieve a valuable qualification that will benefit your career and further studies.

GCSE Maths is a requirement for many Higher Education courses and employers. If you want to improve your knowledge of number, algebra, probability, geometry, and statistics, this course will support you in achieving this vital qualification.

You will study in a focused but welcoming environment, with expert lecturers guiding you through group and individual activities to develop your confidence and skills. A recommended textbook will support your learning, and you will be expected to attend weekly classes and complete regular homework assignments.

What You Will Study

Part-Time GCSE Maths:

1. Topics include Number, Algebra, Ratio, Geometry, Probability, and Statistics.
2. The curriculum focuses on real-world applications and problem-solving.

Attendance Expectations

3-3.5 hrs one day/evening per week - various classes available.

How You Will Be Assessed

1. Three exams at the end of the year
 - Paper 1: Non-calculator (1 hour 30 minutes)
 - Paper 2 & Paper 3: Calculator papers (1 hour 30 minutes each)
2. No coursework, assessment is entirely exam-based

Entry Requirements

Whilst no formal qualifications are required to enrol on this course, before you start you will take part in a one-to-one interview and a skills assessment. This will help us understand your current level and ensure you are placed on the most appropriate qualification to support your learning and progression.

Fee Information

Free (subject to eligibility criteria).

START DATE

September

LEVEL

Level 2
