

Level 1 Motor Vehicle Studies (Multi Skills)

Course Overview

This course serves as an excellent starting point for individuals interested in the automotive industry. While the core focus is on light vehicles, students will also gain exposure to body and paint techniques, as well as motorbikes, providing a well-rounded, multi-skilled learning experience.

What You Will Study

The course includes a mixture of workshop and theory sessions. Students who have yet to achieve a grade 4 in GCSE Maths and English will work towards these qualifications alongside the core curriculum.

Units include:

- Health and Safety
- Steering and Suspension
- Body Repair
- Brakes
- Electrics

How You Will Be Assessed

You will be assessed through practical tasks in the workshops and completion of portfolio work and end of unit exams.
