

# Level 2 Performing & Production Arts

In Partnership with Empath Action CIC, Actual Size Theatre Company

PERFORMING  
ARTS  
Wakefield  
College

## Course Overview

This performance programme, at Mechanics' Performing Arts is for students who wish to study in a lively and challenging environment. As Performing Arts students, you will have the opportunity to explore, develop and test your creativity within a qualification structure which is stimulating, demanding and provides a supportive transition into higher level study or employment in the performing arts industry. There will be a wide range of opportunities for you to perform in our professional theatre, alongside chances to attend professional performances in both regional and national venues. You will be taught by industry experienced tutors alongside visiting professionals working within the industry.

This course is a practical, work-related course with academic and theoretical exploration throughout. You will develop through completing assignments and projects based on the realistic industrial activities and demands of performance. You'll have the opportunity to show your work in a number of public performances and will also get the chance to perform in the performing arts festival.

## What You Will Study

- Performance skills in singing, dancing and acting
- Develop characterisations using movement and vocal skills
- Exploring different performance mediums, such as improvisation, script work and devised work
