What You Will Study

Year 1: Core Units

In your first year, you will complete four core units designed to build a strong foundation in business:

- Exploring Businesses: Gain insights into various business types and their operations.
- Developing a Marketing Campaign: Learn the essentials of creating effective marketing strategies.
- Managing a Business Event: Acquire skills to plan and execute successful business events.
- Personal and Business Finance: Understand financial principles crucial for personal and business success.

Additionally, you can choose from optional units in:

- Customer Service
- Recruitment and Selection

Year 2: Specialist Units

In your second year, you will delve deeper into advanced business concepts with the following units:

- International Business: Explore the dynamics of global business operations.
- Principles of Management: Learn key management theories and practices.
- Business Decision Making: Develop critical decision-making skills for business scenarios.
- Work Experience in Business: Gain practical experience through work placements.

Plus, you will have the opportunity to select two further optional units to tailor your learning experience.

How You Will Be Assessed

Level 3 students will engage in more complex assessments, including:

- Research Projects: Conduct thorough research and present your findings.
- Case Studies: Analyse real-world business situations.
- Investigations: Explore business issues and propose solutions.

Your findings will be presented in various formats, such as:

- Reports
- Brochures
- Presentations

These formats mirror the types of documents you might encounter in the business industry.

Additionally, Level 3 students will have two examined units per year, ensuring a comprehensive evaluation of your knowledge and skills.
