

# Level 3 Certificate Supporting Teaching and Learning in Schools

## Course Overview

This programme is for people who support teachers in schools, and who work largely unsupervised, contributing toward assessments and familiar with planning. It will enable you to obtain a nationally recognised qualification while you work.

Portfolio sessions will include theory research, practical tasks, group involvement, work based projects, resource learning and workshops. Your assessor will plan, and assess your practical work in the workplace.

## What You Will Study

You will need to achieve 11 mandatory units:

- Communication and professional relationships with children, young people and adults
- Schools as organisations
- Support learning activities
- Promote children and young people's positive behaviour
- Develop professional relationships with children, young people and adults
- Promote equality, diversity and inclusion in work with children and young people
- Support assessment for learning
- Engage in personal development in health, social care or children and young people's settings
- Support children and young people's health and safety
- Understand child and young person development
- Understand how to safeguard the wellbeing of children and young people

## Attendance Expectations

You will need to attend portfolio guidance sessions at regular intervals with your assessor which will help you to put together your course evidence.

## How You Will Be Assessed

You will be allocated a workplace assessor who will develop an individual learning plan and will guide you to develop a portfolio of evidence to meet the learning outcomes.
