

Understanding Distressed Behaviour in Children

Course Overview

Deadlines will be set and a tutor allocated who will be available to help with problems and queries as well as providing feedback

This course is suitable for those who would like to understand distressed behaviour in children.

Benefits of study:

- No need to attend college, work from home at a pace that suits you.
- Achieve a nationally recognised Level 2 qualification.
- Further your personal and professional development.
- Available at no cost.
- Receive support and guidance from a dedicated team of qualified assessors/tutors.
- Study will enhance your personal and professional skills.

What You Will Study

The student will learn through the support of relevant materials for the course, with a knowledgeable tutor providing advice and guidance on the course content.

- Unit 1 - Awareness of distressed behaviour in children
- Unit 2 - Principles of intervention when working with children who display distressed behaviour
- Unit 3 - Distressed behaviour and mental health in children
- Unit 4 - Distressed behaviour and learning disabilities in children
- Unit 5 - Distressed behaviour, sensory processing conditions and autism spectrum conditions in children
- Unit 6 - Legislation and guidance for an individual providing support to children displaying distressed behaviour

How You Will Be Assessed

The course is delivered via distance learning, supported by a range of interactive online resources. Work is assessed by the tutor throughout the course from induction to completion.
