

Project SEARCH (Supported Internship Programme)

Course Overview

This Supported Internship Programme has been developed in partnership with Project SEARCH and local employers.

The programme is aimed at young people aged 18-24 with an EHCP who aspire to paid employment. Working with a Tutor and a Job Coach, you will have the opportunity to learn essential skills within a real working environment. You will also continue to develop the English and maths skills that you will need in the workplace.

You will have a combination of short classroom sessions and real on the job work experience, all set in the workplace.

What You Will Study

Full-time supported internship at a host business includes:

- 800 hours of work placement to develop transferable skills required by employers
- Three 10-week placements across the host business
- A focused employability curriculum delivered from the workplace
- Opportunities to learn with prestigious employer partners
- Combination of tutors and trained job coach support

How You Will Be Assessed

You will be trained to complete a variety of different tasks and on-going assessment and feedback will support you to complete them to the required standard. You will be working towards personal and work-based targets to develop the skills you need to be successful in work.

Entry Requirements

There are no formal entry qualifications, but your place must be commissioned by the Local Authority. You must also be motivated and have an aspiration to work and be 18-24 with an EHCP.
